- 1- Travel can be airline or via car.
- 2- If traveling by car, mileage is paid based on the Federal Volunteer Rate of the current tax year (currently .145 cents).

NOTE: It is possible, that the President may not utilize the entire \$1,000 and this would affect the amount paid out. But if the amount is more, the max amount transferred would only be \$1,000. The transfer is to be based on the January to December interest each year.

*Note: The budgeted amounts for registration are set according to the bids approved by the National Board of Directors and could change annually from those stated above in this Procedure and Policies.
