

BUCKEYE BLAST

July 2024

NOTE FROM THE PRESIDENT

Hello fellow Senators, I would like to introduce you to the Buckeye Blast. This platform will be used to send out quick updates on any upcoming events in our great State or around the Region. It is intended as a supplement to our usual newsletter not a replacement. You can expect to see a Buckeye Blast in the months where we do not have a newsletter coming out. We will keep them short and sweet with links to our website for any forms needed. I hope you enjoy this new communication tool.!
