

# BUCKEYE BLAST

## OCT 2024

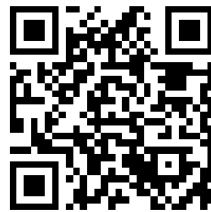

## NEXT SENATE SOCIAL

I have a few ideas I am kicking around for our next social. the tentative date will be Dec 14th so look for more information to come on Facebook and either our next newsletter or an Buckeye Blast. A informal social is available for anyone interested the weekend of Oct 25th-27th to visit the two Jaycee Haunted Houses. On Friday Oct 25th the plan is to visit one and then on Sat Oct 26th visit the other. Keep an eye on the Facebook page for more specific information if you would like to join us. The tentative plan is to meet at a local place for dinner and then head to the house. Still working out which one to start with based on who is joining me so stay tuned.

## Return The Favor Opportunity

The North Columbus Jaycees could use some help with their main fundraiser parking cars this season for the OSU home games. For helping, you'd get a free ticket into the game on the day you help. the QR code above will take you to the sign up. this a good opportunity to help our jaycees and see a football game.

## Next Senate Meeting Information

Our Next Senate meeting is Nov 15th-17th at the Holiday Inn Express Columbus East-Heath. The QR code will take to the Facebook event. Tentative weekend agenda includes: Friday night hospitality; Saturday Morning Foundation Meeting followed by the Senate meeting and the Buckeye Corp. We will have a sign up for those that want to join us for dinner in hospitality. Following dinner we return to the hotel for more hospitality and the JCI Ohio awards banquet.
