

HOSPITALITY POLICIES (AMENDED 01/31/26)

Beginning at the November All-State 2026 and forward:

You will need to bring your own alcohol and mixer. Please also provide your own mug or tumbler. It will work best if you keep this in your room and go back and refill and transport it in a closed container. (This will depend on the venue).

Everyone should bring a snack to share. If you don't wish to do so, please pay \$5.

Friday night hospitality will be some sort of activity, such as game night, a euchre tournament, etc. This will be coordinated by the VP or whomever they appoint, or we would also gladly take volunteers.

Saturday morning after the foundation meeting, we would like to have an outing (local winery, brewery, historical site, etc.), this will also be coordinated same as Friday night.

Lunch will be on your own and/or coordinated with the Saturday outing.

If we need to pay for our hospitality and/or meeting room, we will pass the hat or charge a standard fee. This will depend on the situation.

We should do all we can to include and support the Jaycees.
